County Commissioners Send Notices to Party Chairmen.

WILL ACT ON MONDAY

APPOINTMENT OF ELECTION OF-FICERS WILL COME UP.

Question Is Raised As to Whether the Board Will Make Selections Under the Recent Special Election Or On the Roberts-Eldredge Vote-Lawyers Divided On the Subject.

Notices were sent out yesterday by the county commissioners to the chairmen of the various county committees that on Monday morning next at 11 o'clock they will consider the redistricting of the county. This is in addition to the request sent out some days ago asking the chairmen to submit names of election officers.

There is some dissatisfaction over the shortness of the notice relative to rewas pointed out that there is only one working day between now and Monday and that there will be no time for party

Neither Chairman Lloyd nor Chairman Eichnor knows just what he wants in the way of new districts or in enlarging the present ones. There is another thing that is likely to create some argument when the commissioners meet on Monday. This is the question as to whether election officers should be appointed on the basis of the last general election of on the special congressional election. Good the special congressional election. If officers are appointed according to the special election, and the custom of giving the party that carried the dis trict, the majority of officers, is followed, the Republicans will make some gains. On the other hand, if the commissioners go by the Roberts-Eldredge vote, there will be a majority of Den ocratic officers in nearly every voting district in Salt Lake county. The point is deemed an important

one by both sides and there is likely to be a hot skirmish over it.

The most powerful faction of the g. o. p. here, is betterly opopsed to Governor Wells and will do what it can to prevent his nomination, hence the boom for Howell, who, it is thought, will secure a solid delegation

PHYSICIAN WANTS TWO OFFICES ABOLISHED.

Desires to Do Away With Sanitary and Food Inspectors, So Far as Council is Concerned and Place Their Duties Under Control of Health Commissioner King.

At the next meeting of the city council on Tuesday night, or very soon thereafter, will be seen a fierce clash f arms between Councilman Beatty and Mayor Thompson. The conflict has been simmering, and gently siz-zling for months, and now Dr. Beatty will take action that will bring it to a sudden head.

a sudden head.

The question will arise over the appointments of Jacob A. Heiss, to be sanitary inspector, and of J. Parley White, to be food inspector. Dr. Beatty opposes these appointments, and he has succeded in holding that of White up for weeks. Some days ago the sanitary committee got together and decided on a report, or two of them. Three members, that is, Dr. Beatty, Edgar Howe and C. R. Howe, decided to recommend to the council that the appointments be not confirmed.
